

D-1130

Well-designed and quick-and-easy-to-read, DETECTO's Personal Health Dial Scales are well-suited for locker rooms, hotels, fitness clubs, pharmacies, nutritional counseling centers, offices, and private households. They feature fast weighing with the weight display immediately registering on the large 7-inch dial after stepping on the scale's slip-resistant platform.

Personal Health Dial Scales

A slim, low-profile design, economical pricing, and non-skid vinyl mat are just a few features of the DETECTO D-1130 scale - proven performers for budget-minded customers. They feature a white, baked-enamel finish and personal, colorful indicators to mark one person's or a whole family's weights. The large 7-inch-diameter dial allows for easy readability even for tall people. Designed for personal use, fitness centers, and health care facilities. Capacity is 300 lb x 1 lb.

KEY FEATURES

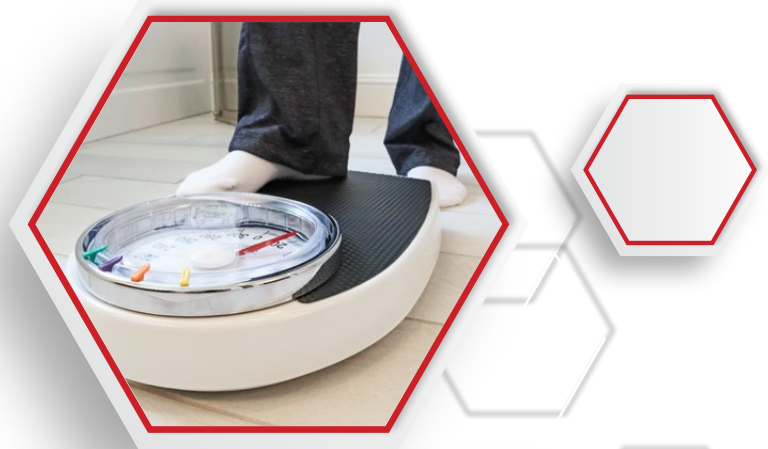

- Easy-to-read, large 7-inch dial registers weight quickly
- Features adjusting scroll to set the zeropoint and balance
- Spacious platform accomodates large shoe sizes
- Low-profile, compact design requires little floor space
