EXCELLENT FOR USE WHERE SPACE IS LIMITED

The portable lightweight platform and large bold backlit blue readouts make this scale ideal for mobile clinics, home healthcare nurses, doctor's offices, general purpose use, and home bathroom weighing.

- Compact, low-profile design for space-saving efficiency
- Coiled cable from scale base allows versatile positioning of the indicator
- Slip-resistant, texturized black rubber mat for traction and patient stability
- 550 lb x 0.2 lb and 400 lb x 0.5 lb models available
- Battery or AC power for your convenience
- 12.5 in W x 11.9 in D x 2.2 in H / 318 mm W x 303 mm D x 58 mm H platform
- Raised buttons and audible beep confirmation of keypresses
- Bold 1-in/25-mm high digits with backlit blue LCD
- Pounds and kilograms conversion with Units key
- Simple four-key operation is easy to use even for novices

Wall Mount Display for Permanent Set- up or Floor/Tabletop Display for Mobile

The DR series indicator's versatile drop-in mounting bracket and coiled cable allows the display to be positioned on the floor or tabletop for quick mobile weighing use or you may permanently mount it on the wall using the included screws and plastic drywall anchors.
